Please click onto the link and you will be directed to the online ordering system. You will have 14 days from the day photos are live on the system to order with free delivery back to the centre, otherwise there is P&H fee for orders after this date.

### PARENT SURVEY

This week we are sending home a short survey regarding your child's enrolment needs for 2021. We would like all families to complete this for their child regardless of whether they will be returning to preschool, attending school or another centre. If your child is returning to preschool we will require payment of the \$49 enrolment fee. We ask that all surveys are returned to preschool by 24<sup>th</sup> July. The survey will assist us in planning for next year and also in supporting children who are moving on to school.

### THANKYOU

Thanks to all of our preschool families who have kept their children home from preschool when unwell. We continue to follow the NSW Government guidelines that sick children are NOT to attend preschool, (including children with mild cold and flu symptoms).

### PRESCHOOL HOLIDAYS

Term two finishes on Friday 3<sup>rd</sup> July. Term Two commences on Monday 20<sup>th</sup> July. Thanks to everyone for working with us through what has been an interesting term with COVID-19 and supporting the changed procedures we have needed to put in place for everyone's health and safety, e.g. changes to arrival & departures, sign in procedures, social distancing, etc. We wish you all a safe and happy holiday break.

### UPDATING DETAILS

Please let us know if there are any details that need updating for your child and family. This may include contact details such as phone numbers, address, emergency contacts, persons authorised to collect, allergies etc. Please see your child's teacher to update any details.

### WARM CLOTHING

As the weather is getting cooler please remember to send along warm clothing for your child to wear for outdoor play. This includes a jumper and or warm jacket. A beanie is great to keep the ears warm. Even on cooler days we will be venturing outdoors for some physical exercise and fresh air.

### PRESCHOOL CLOTHING
